To Whom It May Concern:

SickKids Foundation is extremely pleased that Rolina De Silva and Committee will be hosting **The Alison De Silva Red Tie Affair** on April 9th, 2016 benefitting the Group for the Improvement of Intestinal Function and Treatment (GIFT) Program at The Hospital for Sick Children.

Since inception, this event has raised nearly \$150,000 for SickKids. Because of the support SickKids receives from this event, important advances have been made in child health.

The GIFT program at SickKids began in November 2002 and remains the only formal intestinal rehabilitation program in Canada. The Alison De Silva Red Tie Affair committee continues to invest in this important program and they require support from companies, organizations, and individuals who share their vision and hope for improved child health. The committee are both passionate advocates of child health and loyal supporters of SickKids. We hope that you will join them in making an indelible mark on The Hospital for Sick Children.

Your participation will mean that SickKids is able to continue its vital work not only for the children of Toronto, but of Ontario; Canada and the world, and to fulfill our vision of: "Healthier children. A better world."
